7-3-25 Voting Procedures

(a) Ballot Description

(1) Each ballot shall contain voting instructions on a separate sheet or on the reverse side of the ballot. The ballot shall also state that if the voting is done at the polling place rather than by mail ballot, an Election Board member will be available to give assistance in answering voting procedure questions. The Election Board may have included on the ballot other instructions deemed necessary or desirable.

(2) The official ballots shall be printed on white paper with black ink. Sample ballots shall be printed or copied onto colored paper, shall be clearly labeled "sample ballot", and shall not be counted if placed in the ballot box.

(3) Candidates shall be listed on the ballot in a staggered fashion, e.g. #1 on one ballot and #2 on another, etc. The instructions shall state that each Registered Voter may vote for either one (1) or no candidate for each vacancy, and that any ballots marked with more than one (1) vote for any single position shall invalidate the whole ballot.

(4) Subjects of a recall vote shall be listed on the ballot in a staggered fashion, e.g. #1 on one ballot and #2 on another, etc.

(5) Ballots for initiatives, referenda and issues requiring General Council approval shall contain a statement of what the voter is deciding and shall be worded in such a manner that clearly allows for a choice of a "yes" or a "no" vote only. No misleading statements whatsoever will be accepted.

(b) Ballot Procedure

(1) All Registered Voters having Signature Cards on file shall be mailed a ballot after the closing date for filing but no later than fourteen (14) days prior to the scheduled election date. Mailed ballots received by the date the scheduled election is held shall be counted in the vote tabulation. The independent third party, as outlined in CLUSITC 7-3-25 (e)(1), will assist the Election Board on Election Day.

(2) The ballot shall be mailed out in an inner envelope along with an addressed return envelope. The voter shall mark his or her ballot and place it in the inner envelope and seal it. The inner envelope shall then be

placed in the outer return envelope provided, and sealed. The voter shall sign the outer envelope on the designated line. It shall then be returned to the designated collection point in the return envelope. Ballots will not be opened until the day of the election. Outer envelopes must be intact.

(3) If any visible signs of tampering are noted, the ballot will be rejected. Upon receiving the mailed ballot, the Election Board, or its duly appointed representative, shall deposit the entire packet in the locked ballot box. A poll book shall be marked to show this has been done. At 4:00 p.m. on the day of the election, the Election Board will compare the signature on the outer envelope with the signature on file. If signatures match, the outer envelope shall be removed and kept. The inner envelope containing ballot will go on to be counted.

(1) In the event a Registered Voter loses or accidentally destroys a ballot before it can be submitted, a duplicate ballot will be provided. In order to prevent double voting by one voter, a list of Registered Voters shall be maintained in a poll book by the persons responsible for the tabulations, and as each ballot is submitted by mail by a voter, his/her name shall be so marked in the poll book as having voted. If the ballot is delivered by the Registered Voter to the polling place or completed at the polling place on Election Day, the voter shall sign his/her name in the poll book. In the event the person is unable to sign, an Election Board member, in the presence of at least one other Election Board member shall so note "unable to sign" in the poll book.

(2) When voting at the polling place, the Registered Voter shall sign the poll book. One Election Board member shall supervise the procedure by the independent third party.

(3) A ballot may be delivered by any designated method acceptable to the Registered Voter by 4:00 p.m. on the day of the election.

(4) If the Registered Voter completes a ballot at the polls, the voter shall fold the ballot, and in the presence of an Election Board member, deposit the ballot in the ballot box. An Election Board member shall at that time mark in the poll book this has been done.

(5) If a Registered Voter, voting in person, defaces or destroys a ballot, a new ballot may be issued to the voter (write-ins will not receive this privilege), with the correction noted in the poll book. The spoiled ballot shall be marked and kept in a secured place until certified as provided for in CLUSITC 7-3-25(i) and will then be destroyed.

(c) Poll Hours

The Election Day voting hours shall be from 12:00 p.m. to 4:00 p.m. The election shall be held at the Tribal Hall.

(d) Voter Tabulation Responsibilities

(1) Independent third parties are required to be used as official vote tabulators. Tribal Council shall provide for this and other incidental election costs in the annual General Fund budget. Independent third parties acceptable for this process include the County Election Board, certified public accounting firms, the Bureau of Indian Affairs, other civic-minded organizations or people with no current contractual or lease agreements in force with the tribal government except the contract to count the votes.

(2) All ballots shall be deposited in the sealed ballot box after an Election Board member, in the presence of at least one (1) other Election Board member, marks the poll book accordingly. The ballot box shall be kept in a secure room not accessible to the tribal member public.

(e) Counting the Votes

(1) After all ballots have been placed in the ballot box and an Election Board member has declared the polls closed, the ballot box shall be removed to a separate area which is closed to the public.

(2) After an independent third party has been selected to tabulate the votes, the Election Board Chairperson shall hand over to the person in charge of that group, the ballot box, key to the ballot box lock, poll book, and the signature card file. The Election Board members will observe the process of counting the ballots and assist as requested by the independent third party.

(f) Rejected/Invalid Ballots

A ballot shall be rejected or invalidated if: (1) it is unreadable due to spoilage; (2) it reflects an invalid signature in the poll book or on the ballot envelope; (3) it has a tampered outer envelope; (4) it reflects a write-in; or (5) a voter casts more than one ballot, in which case all ballots cast by that voter shall be invalidated. Rejected or invalidated ballots shall not be counted. In the event that the signature on the outer envelope does not match the signature on file, the Election Board may at its discretion take reasonable steps to determine whether the signature is valid, taking into consideration that a person's signature may change over time. The decision of the Election Board on the validity of a ballot shall be conclusive.

(g) Determination of Winners

In accordance with the Tribal Constitution, winners shall be chosen by a plurality of the votes cast for each position. Ties shall trigger a recount within ten (10) days and be decided by a coin flip conducted by the Tribal Chief. If the position of Tribal Chief is vacant, the Elections Board Chairperson will conduct the coin

flip. The coin flip shall consist of a coin being tossed in the air and landing untouched on a smooth surface.

(h) Certification of the Vote

(1) After tabulation of the votes, an Election Board member shall announce the results and post same at the Tribes' Administrative Building, Tribal Hall, Outreach Offices, on the Tribes' website and in the office of the Gaming Commission. The notice shall be marked to state the vote is true and correct and signed by the Election Board Chairperson or designate and the head of the independent third party tabulator group.

(2) According to the Tribal Constitution, certification of the vote shall occur within twenty-four (24) hours from the time of the election. CLUSI Const. Art. VIII, Section 2(c). The "time of the election" is hereby defined as the time the polls are officially closed.

(i) Election Challenges and Recounts

(1) Automatic Recounts. In any election, if the vote is within a margin of five (5) votes or less, the Election Board Chairperson and the independent third party shall recount for that position or matter automatically, regardless of whether a challenge is received.

(2) Recounts in Elections for Tribal Office or Recalls. Any candidate who is not declared a winner or any person who is recalled from tribal office may challenge the count by contacting the Election Board Chairperson within twenty (20) hours of the announcement of the voting results and presenting his or her reasons why the vote is being challenged. The Election Board shall decide in its sole discretion whether to conduct a recount that is not automatically required under this chapter.

(3) Recounts in Initiative, Referendum and Constitutional Amendment Elections. Any Registered Voter may challenge the count in an initiative, referendum or constitutional amendment election by contacting the Election Board Chairperson within twenty (20) hours of the announcement of the voting results and presenting his or her reasons why the vote is being challenged. The Election Board shall decide in its sole discretion whether to conduct a recount that is not automatically required under this chapter.

(4) Timing of Recounts. A recount for any reason must be completed prior to the time when an election must be certified under the Tribal Constitution or the Tribal Code.

(5) Observation of Recounts. The candidates or their designees for any position subject to a recount may observe the recount. For an initiative, referendum or constitutional amendment election, the Election

Board shall allow at least one Registered Voter on each side of the matter to observe the recount. An observer may be excluded from continuing as an observer upon a determination by the Election Board that the observer is acting in a manner that impedes or is disruptive to the recount.

(6) Challenges to any Election. If at least five (5) Registered Voters sign and submit to the Election Board Chairperson within twenty (20) hours of the announcement of the voting results a petition describing violations of this chapter, violations of rules adopted by the Election Board or irregularities that could have affected the outcome of an election, the Election Board shall investigate the charges made in the petition. The Election Board shall rule on the petition within seven (7) days of the date of the election. If the Election Board determines that a violation of this chapter, a violation of Election Board rules or other irregularities did affect the results of the election, the Election Board shall schedule a second vote for the particular office or matter that was challenged, as provided in this Chapter 7-3 and any Election Board rules.
